SAINTS FUN FACTS by John Sheppard

A Carpenter, a humble man, loving husband and a father. Without question, he heeded God in his dreams to save his family. He respected God and followed his commands. He was also compassionate and caring. He died before Jesus' public life with Mary and Jesus close by, the way we all would like to leave this earth.

He is the patron of the universal church, Carpenters and fathers.

Together in Faith

Dear Readers

Happy Labour Day to you all

Today, as we celebrate this most auspicious occasion for all the hard working people and caring fathers of our world, let us reflect on the 34 years of our Independence; the road we have travelled, whereby being better able to cherish our various accomplishments.

In so doing, let us also resolve to undertake a comprehensive analysis of ourselves, our being, so as to work much harder towards the complete eradication of our many well known short comings and deficiencies which continue to hinder the **sustainable growth process**, for the benefit of all.

The next 12 months or so, leading to the upcoming Presidential Elections will be yet another **decisive** period for the future of our Motherland and our people. Thus let us pray that St Joseph who is the patron of the **universal church, fathers, carpenters**, and not the least **social justice** will continue to watch over us, protect us and guide us as he did with his adopted son Jesus.

Faithfully yours
